Scenario 6:

Mr. A is qualified within the Early Bird period.

Mr. A directly referred B, C, D & E and each of them is qualified with 1,000 BV within the Early Bird period.

As a result, Mr A achieved 50 reward points, i.e. 10 reward points from personal purchase and 10 reward points each from qualified direct referral B, C, D & E,

Mr. A gets a total of 50 reward points, cash equivalent of MYR 660.

Note: Qualify means allocating 1,000 BV to at least one of your tracking centres by a personal purchase or a sale to retail customer.

Scenario 7:

Mr. A is qualified with 1,000 BV within the Early Bird period.

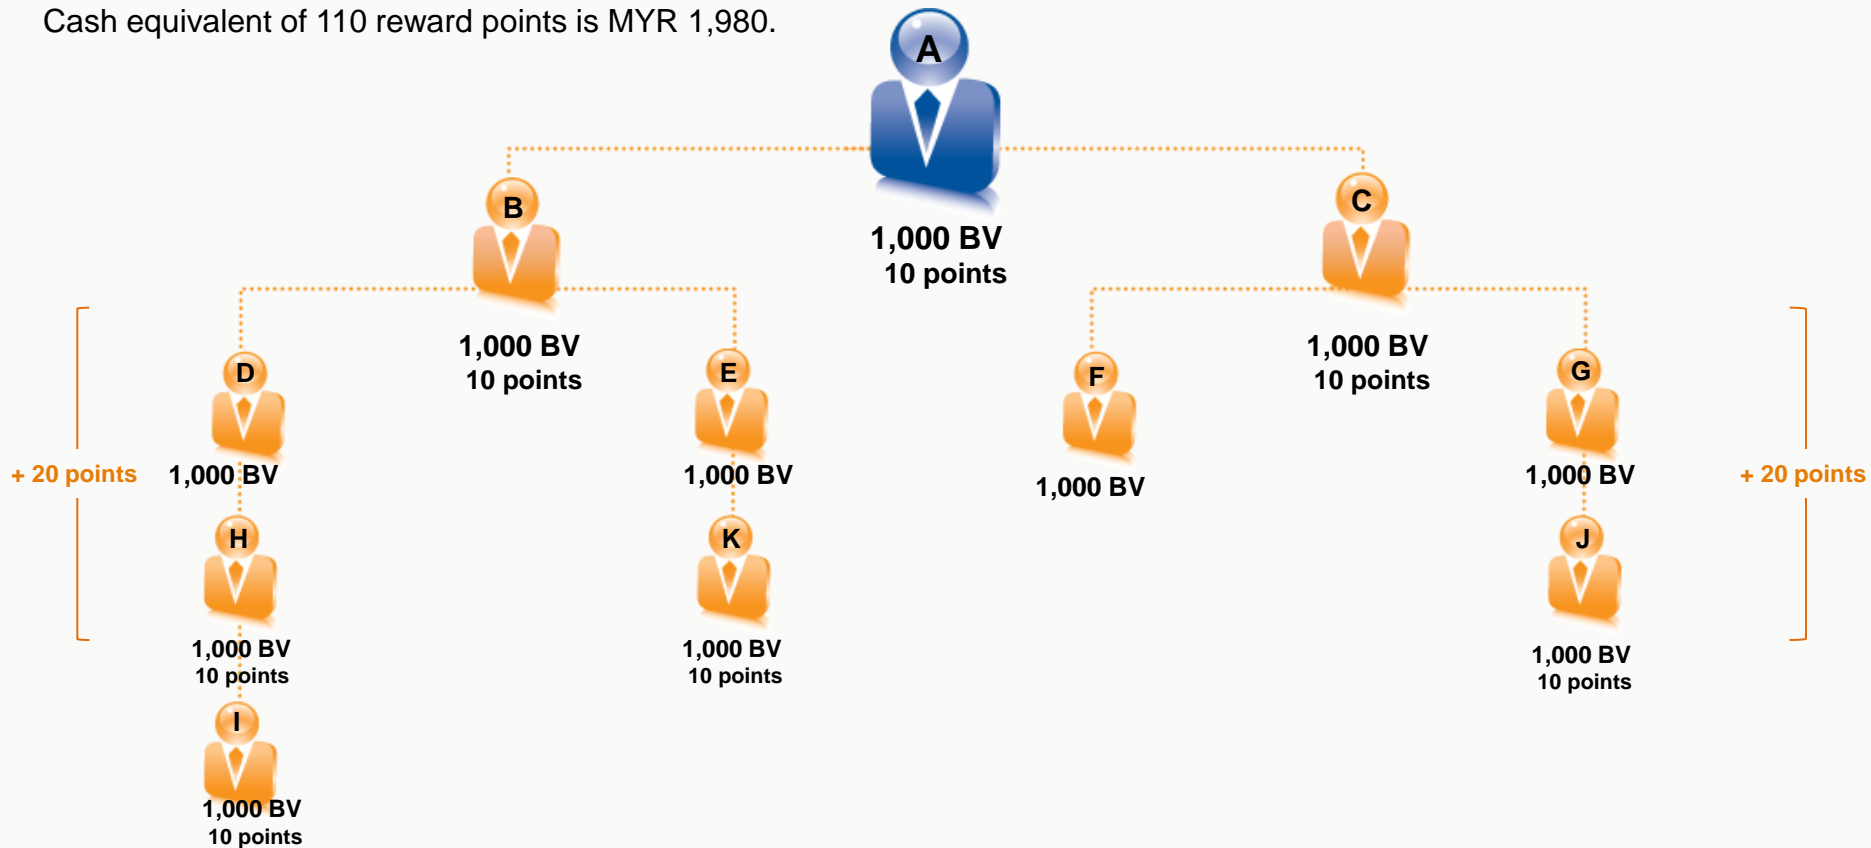

Mr. A directly referred B, C, H, I, J & K within the Early Bird period.

B, C, H, I, J & K have purchased product with 1,000 BV each within the Early Bird period.

B & C activated their tracking centers by referring 2 qualified IRs D&E and F&G (with 1,000 BV) within the Early Bird period.

As a result, Mr A achieved 110 reward points, i.e. 10 reward points from personal purchase and 30 reward points from activated referral B&C and 10 reward points each from H,I,J,K

Cash equivalent of 110 reward points is MYR 1,980.

Note: Qualify means allocating 1,000 BV to at least one of your tracking centres by a personal purchase or a sale to retail customer.

Scenario 8:

Mr. A is qualified with 1,000 BV within the Early Bird period.

Mr. A directly referred B, C, H, I, J & K within the Early Bird period.

B & C have purchased product each with 1,000 BV within the Early Bird period.

B & C activated their tracking centres by referring 2 qualified IRs D&E and F&G (with 1,000 BV) within the Early Bird period.

H, I, J, K have purchased product with 1,000 BV each AFTER the Early Bird period but before the promo ends.

As a result, Mr. A achieved 70 reward points during early bird period and 40 reward points during the regular promo period.

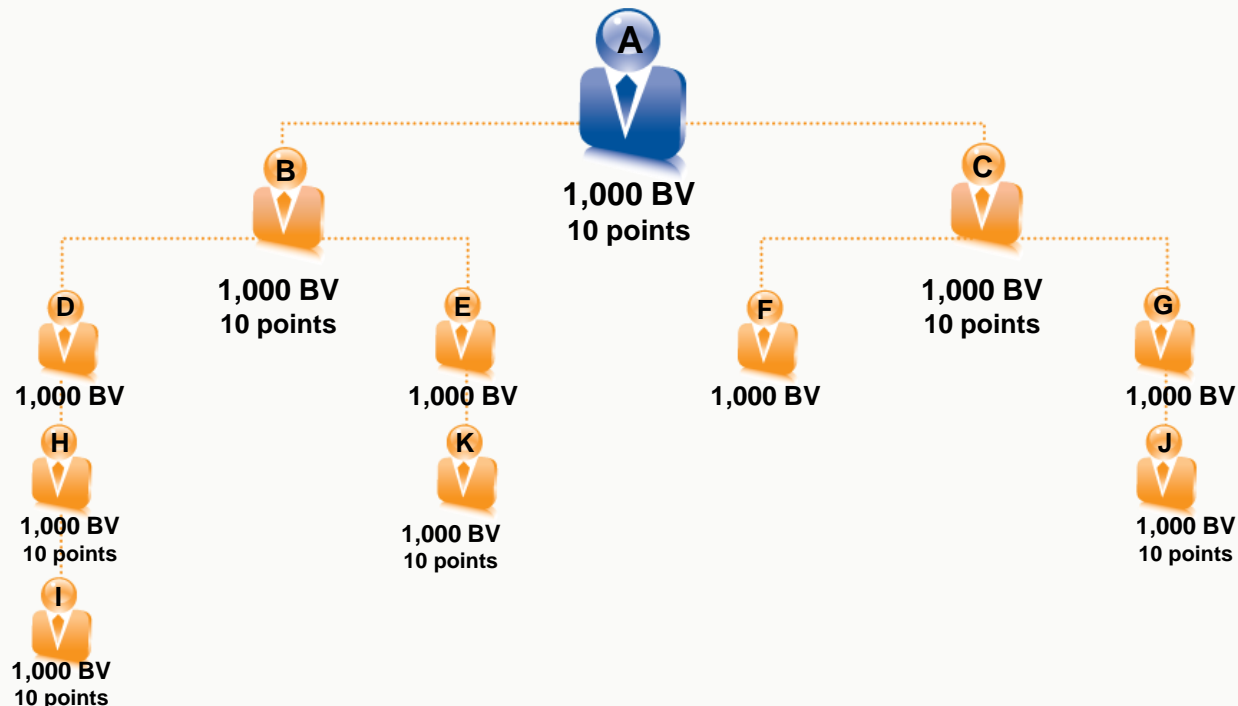

70 reward points (Early bird period) is equivalent to 10 reward points of personal purchase and 30 reward points each from activated direct referrals B&C.

40 reward points (Regular promo period) is equivalent to 10 reward points each from qualified direct referrals H, I, J, K

Cash equivalent for 70 reward points early bird and 40 reward points regular promo period is MYR 1,815.

The reason is that Mr A was not able to earn 100 reward points completely during the early bird period, and the cash equivalent is calculated based on the regular promo period cash.

Calculation: MYR 1,650 (based on 100 points) + MYR 165 (early bird bonus for 70 points) = MYR 1,815.

Note: Qualify means allocating 1,000 BV to at least one of your tracking centres by a personal purchase or a sale to retail customer.

Scenario 9:
